### Laser Engraving

UV Printing **COLOR** Direct to Substrate

### Rotary Engraving

Our 40-Watt Laser Engraver capable of engraving metals, plastics, wood, leather, textiles, acrylic, marble, slate, glass and paper.

We've added a Logojet UV2400 Printer Direct to Objects, adding **COLOR** to everything that we can engrave. The UV2400 gives us the ability to print directly to plastic, a new ability.

We also have a Xenotech Viper Rotary (diamond drag) engraver capable of engraving into plates and flat objects.

### We can Customize:

- Tumblers, Mugs, and Drinkware – steel and plastic
- Name Badges
- Retirement/Promotion Gifts
- Memorials in all Mediums
- Engrave/UV Print Acrylic, Glass, Crystal Awards
- Speaker Awards in Wood, Metal and more
- Trophies and Plaques – Laser and UV Print **COLOR**
- Custom Medals/Challenge Coins
- Office Engraving
- Desk Wedges/Nameplates
